---

Education:

Professional Bachelor's degree in Frontend Development, Jensen Yrkeshögskola   (Aug 2024 - May 2026)

- **Project:**
    - **Cinema Booking System |** React, Node.js, Express.js, SQL: Built a full-stack cinema booking system in a team of 4, delivering a functional app with real-time seat availability and end-to-end booking features.
    - **Racha Beauty & Wellness |** Client Project | React, TailwindCSS, Node.js, Express.js: Designed and built a multi-page, client-facing website in collaboration with a real client, translating their brand vision into a tailored, responsive interface.

MSc in Business and Management - Entrepreneurship, Uppsala University   (Aug 2022 - June 2023)

- **Thesis:** A Social Constructivist Perspective on Entrepreneurial Learning in Business Incubators: A Case Study from Sweden (Supervisor: Ingela Sölvell).

BA in Game Design and Project Management, Uppsala University   (Aug 2019 - June 2022)

- **Projects:** Fly Away, Armored Division
- **Thesis:** Thrill vs. Cybersickness: A study on camera settings' impact on immersion and cybersickness in VR Racing Games (Supervisor: *Masaki Hayashi*).

Experience:

(Internship) Trailr-AI, Copenhagen, Denmark (Remote)   (Sep 2025 - Dec 2025)

- **Led a core UI/UX Overhaul Project** for the Trailr.ai platform, moving from initial research (competitive analysis, user journey mapping) to the presentation and approval of a comprehensive design proposal for implementation.
- Applied professional development workflows, mastering the Git workflow (feature branching, pull requests) for collaboration and code review on a multi-level React application.
- **Engineered and deployed four major feature integrations** into the production React/JavaScript codebase, including a custom **Sidebar/NavList** and the **Screen Room** interface, utilizing **Zustand** for complex application state management.

(Volunteer) Head of Millennial Consulting, Copenhagen, Denmark   (Sep 2023 - May 2025)

- Managed and monitored two-month consulting projects end-to-end, delivering **100% on-time completion** and achieving a **90%+ client satisfaction rate.**
- Directed daily operations and communications, implementing a hybrid project management model that **improved efficiency by 30%** and reduced coordination delays by 20%.
- Facilitated 10+ planning workshops and mentor-led sessions, supporting 75+ students in developing real-world problem-solving skills.

Business development Intern at Spreadly, Munich, Germany (Remote)   (Jan 2023 - Mar 2023)

- Conducted market/competitor analysis and supported business development strategies, contributing to a **15% increase in qualified leads** and streamlining the sales process through the creation of 10+ sales and marketing materials.
